TRAVELER COMMENT: Haya was an absolute delight -- full of energy, enthusiastic, and very passionate. My partner and I enjoyed how well she put the tour together and most of all how she connected all the eras with what we were seeing. She speaks perfect English and is quite knowledgeable. We had an authentic delectable lunch overseeing all of Jerusalem while she put all the sights in perspective. We would definitely highly recommend her and would book her again! Thank you Haya!

TRAVELER COMMENT: Haya was a fantastic tour guide! Showed us out of the way places and took us to wonderful places for lunch. So knowledgeable about the Bible and how the Old and New Testament fit together...and how to think of it for our life today, Great job from Haya...even helped my sister and brother-in-law to the hospital when he became ill...got us to the hospital and interpreted for us until he was checked in and my sis had a hotel room. I "heart" Haya!!

TRAVELER COMMENT: Haya did a great job of showing us around Jerusalem. It was a crowded day...but she knew how to get around. She tells great stories of the Bible AND she has great songs to go with her stories....By the Rivers of Babylon....yeah..yeah! If you want to learn something and have your mind opened... go for Haya! (If you want to spend your time shopping.. Haya is not your girl ;-)

TRAVELER COMMENT: Haya was wonderful, possibly the best tour guide we've had in many years of travel. Excellent tour, we were with a young child and 2 seniors and she was very patient with all of our requests. She really made the historical and religious aspects easily understood by everyone (even those of us who are not super religious). She had great suggestions about the itinerary and we were all very impressed by what seems to be an endless amount of knowledge and enthusiasm. I highly recommend Haya.

Bible tour - then and now

Jerusalem, Israel

Jason Parham, USA

TRAVELER COMMENT: Haya was AMAZING! We absolutely loved having Haya as our guide in Israel. She made our trip not only informative, but safe and fun! This trip was an amazing gift from my brother to my mom for her 69th birthday and the fulfillment of a lifelong dream for her to see Jerusalem and the holy sites. Haya worked very hard to make as many special arrangements and accommodations for my mom as she is disabled and needed special attention to be able to see all the sites she wanted to see at a pace she could enjoy. Every day of our tour she had a fun twist of music, handouts and visuals for us to make mental connections. She made certain as we went about our tour that we were not bothered by any vendors or people who wanted to stop and interrupt our precious time. I would highly recommend her tour! I still absolutely LOVE the restaurant she took us to in Jerusalem, so much that we went back a second time! Well done Haya!! Jason Parham USA
